

A DIAMOND IS FOREVER

February 23, 2006

Dear Mr. Oku,

Thank you so much for participating again in the exclusive Diamond Aquifer Gift Bag, which will be given to celebrities, select VIP's and elite press at the Diamond Aquifer, which will be held at the SoHo House, Los Angeles during Oscar week. Brilliant Restorer is the exclusive jewelry cleaner in our gift bag and will be sure to be a great item for anyone who owns and loves diamond jewelry. I also wanted to compliment you on the special gold atomizer you created for the gift bags. I can tell you it was a hit!

We love your product and will contact you for next years gift bags.
